

# ALL HALLOWS WINTER GRITTING PLAN

Please see below and above the plan which indicates which paths will be gritted in a morning when there is snow and frost

 - paths to be gritted

The priority routes from Oxford Road are:

- the bus turning circle
- the student path to the veranda
- the path from the Newman Building to the More Building and the Fisher Building
- the path and steps to the Sports Hall

The priority routes from Brooklands Avenue are:

- from the gate, in a line to the Reception area.
- from the gate to the Cornerstone.

It is important for your safety that you use these paths. We will endeavour to open more paths throughout the day.
